

iD

Distinguish yourself in three easy steps

ORCID provides a persistent digital identifier (an ORCID iD) that you own and control, and that distinguishes you from every other researcher. You can connect your iD with your professional information — affiliations, grants, publications, peer review, and more. You can use your iD to share your information with other systems, ensuring you get recognition for all your contributions, saving you time and hassle, and reducing the risk of errors.

- Viziunea ORCID constă în principiul ca toți cei care participă în activitățile de cercetare, dezvoltare și inovare să fie identificați în mod unic și conectați la contribuțiile sale pe discipline, granițe și timp.
- Fiecare cercetător deține propriul profil în care sunt prezentate rezultatele științifice preluate din alte baze de date, dar pot fi adăugate și manual.
- ORCID preia datele cu privire la publicații din WoS, Scopus s.a.
